ACTIVITIES

Student

Council

This year the Student Council has met with great success. Led by the four officers, pictured below, the Council has urged student participation and has been the cohesive force between student and faculty. Aside from sponsoring numerous activities such as the boat dance, Christmas Dance, trip to Madison Square Garden, and several assemblies, the Student Council has initiated programs to benefit the community, such as the Christmas party for the children of Letchworth Village. These people have labored hard in pursuit of a better school.

Please stand for the Pledge of Allegiance

This is the first time that the students of Albertus elected one set of officers for each year. The purpose of this was to unify the classes. The Senior class officers, pictured at left, have worked hand in hand with the Student Council. This has resulted in a more efficient student government

You Can't Take It With You

July and August of 1969 saw the first Summer Theater in action at Albertus Magnus. An alumni group of the Drama Club, directed by Mr. Locatelli, prepared a production of "You Can't Take It With You." The play was presented the first weekend after our return to school in September, and was enthusiastically applauded by the student body who felt the year was off to a good start

The Alumni returns

Hilarious laughter filled the auditorium on Nov. 28, and 29, as members of the faculty literally got "into the act" with the Drama Club for a long to be remembered presentation of Woody Allen's "Don't Drink the Water."

For its annual spring musical, the Drama Club selected "The Sound of Music" by Rodgers and Hammerstein. Scenically as well as musically, the production was an outstanding achievement. The sound of its music still rings through our minds as we prepare to "follow every rainbow . . ."

Varsity Basketball

The Varsity Basketball Team won a greater portion of its games this year. In spite of mishaps, they won out the season. The Eleven Spirit team, well over the injuries incurred. The outstanding characteristic of this team was certainly coordinated effort.

FACULTY

Sister Anne Roberta, Principal

Every student recognizes in our principal a woman whose efforts have always been directed toward others. Sister Anne Roberta's main concern is for the welfare of the entire student body. We deeply appreciate her thoughtfulness and kindness to us during our four years at Albertus Magnus.

Administration

In the administration of their duties, these people have helped to create and encourage an atmosphere of helpfulness and efficiency in Albertus Magnus. Sister Elizabeth McAleavey's task of unifying and working on programs, lends much to the school's smooth functioning in the area of curriculum

And so a year has passed . . . Senior Year . . . a year of "lasts and firsts." The time has been spent awakening to the world around us. Four years of our lives have been shared with one another and this can never be forgotten. The idealism, the spirit, the hope we carried in high school will continue to live in us, if we so choose.

These pages can serve as an inspiration to you . . . the Class of '70 embarking upon a new world. While it is good to look back with pride, it is equally important to look with confidence toward the future. This yearbook was designed as a "collection of memories" to help you reminisce someday about the year sixty-nine to seventy. We have tried our best to gather a little of what the year may have meant to all of you. It is this . . . the Gauntlet of 1970 . . . that we offer to you. Use it to look back and remember."

Congratulations to the Class of '70
